To: Wolff, David S <dwolff@winona.edu>; Matera, Bryan <bmatera@winona.edu>

Good Morning David and Bryan,

I wanted to reach out to both of you and thank you for your actions yesterday. I appreciate everything you both did for my best interest, especially staying with me until I was safe with my father. I got plenty of fluids, food, and rest and am feeling lots better today. I hope the rest of STEM Camp went well!

Appreciatively,

Kate Bade
